PROFILE

I am an experienced Full Stack Developer with a strong background in developing scalable web applications using React.js for the front-end and Spring Boot and Node.js for the back-end. Proficient in designing and implementing RESTful APIs, ensuring high performance and responsiveness. Excel in agile environments and collaborating with cross-functional teams to deliver innovative solutions. Committed to continuous learning and adapting to new technologies to stay at the forefront of the industry.

WORK EXPERIENCE

- Klab** 2023 - 2024
Front End
 - Design and implement user-centered UI/UX solutions that align with the company's goals and enhance the overall user experience.
 - Develop, test, and deploy web applications, ensuring they meet performance, scalability, and security standards.
 - Manage project timelines and deliverables, ensuring tasks are on schedule.
- ICT Chamber** 2024 - 2024
Full Stack Developer
 - Create and manage the marketing budget, ensuring efficient allocation of resources and optimizing ROI.
 - Develop, test, and deploy web applications, ensuring they meet performance, scalability, and security standards.
 - Optimize database queries and storage solutions, ensuring data integrity and system reliability.
- AMI RWANDA** 2023 - 2024
Training
 - Collaborate with team members and contribute to project discussions, effectively communicating ideas and solutions
 - Apply productivity techniques to manage tasks and meet deadlines, ensuring efficient workflow and project progress.
